Our ethnic background describes how we think of ourselves. This may be based on many things, for example, our skin colour, language, culture, ancestry or family history. Ethnic background is not the same as nationality or country of birth.

The Information Commissioner recommends that young people aged 12 years or older have the opportunity to decide their own ethnic identity. Parents or those with parental responsibility are asked to support or advise those children aged 12 years or older in making this decision, wherever necessary pupils aged 16 or over can make this decision for themselves.

Filling in this form is optional. However, if you wish to complete it and return it to the School with your completed Registration Form, please study the list below and tick one box only to indicate the ethnic background of the child named in the Registration Form.
